

ENVIRONMENTAL MANAGEMENT SYSTEM (EMS) EXCELLENCE AWARDS

Submit Nominations Now!

The Quarterly Environmental Management System (EMS) Excellence Award recognizes innovation made by individuals or teams that contribute to the vision of Sandia's EMS. Each quarter, the EMS Core Team will recognize those individuals and teams who demonstrate environmental excellence in two specific categories. For the third quarter, team and individual awards will be given in the following categories:

RISK MITIGATION/ENVIRONMENTAL PROTECTION
WASTE MINIMIZATION

Where Can I Find Out More Information On EMS Award Criteria?

Please visit our website at <http://ems.sandia.gov> for information on the award nomination process. Also, refer to either your EMS Champion, Environmental Protection Representative and/or Pollution Prevention Representative; they will be glad to assist you with the nomination preparation.

Deadline: September 30, 2006

Please submit nominations to:
oasaiz@sandia.gov

Upcoming Nomination Categories:

WATER CONSERVATION AND ENERGY REDUCTION (October 1 - December 31)
